

# Elevate Productivity with Microsoft 365 Modern Workplace Security

**Microsoft 365** is the AI-powered productivity suite that delivers foundational Zero-Trust security, enterprise grade device and app management, and robust collaboration capabilities. It understands the context of your data and knowledge across the organization to increase productivity securely across your organization.

## Set Up A Strong Zero-Trust Foundation

## Streamline Endpoint Management

## Drive Productivity and Collaboration

## Cut through complexity and get to the new era of work

Three Simple Steps

### 1 | Set up a strong Zero-Trust foundation

Verify explicitly, use least privilege access, and apps

### 2 | Streamline endpoint management

Protect, manage and support all endpoints and apps

### 3 | Drive productivity and collaboration

Improve productivity and foster a culture of collaboration with connected experiences

## Optimize and reduce costs with Microsoft 365 E3

**Cut licensing costs by 60% or more** compared to a patchwork approach of dedicated solutions.

**Cut employment, integration, management, and related costs** that come with a patchwork approach of dedicated solutions.

**Reduce wasted time and effort** investing in a solution designed for more seamless integration.
